Average Grade Point Average (GPA) for bachelor's degree at this graduation is 3.29. While the average GPA for diploma level is 2.97, as for the D4 program 3.21. Highest GPA for undergraduate programs is achieved by Tia Rosana Ratna Sari, Faculty of Law, who earned a GPA of 4.00. While the highest GPA for the Diploma program is Listiana Putri Wajarwati, Forest Management in Vocational

School with a 3.87 GPA.

Rector, Prof. Ir. Dwikorita Karnawati, M.Sc., Ph.D., in her speech congratulated the graduates who have successfully completed their studies. "The process that you go through during the course is not easy, many trials and challenges you faced during the study. But you can pass all of those challenges, thanks to your struggle and parents," she said.

On that occasion, the Rector invited the graduates to always be grateful for all that has been achieved and the need to improve the knowledge and skills. "(You) Must be able to improve the competitiveness and endurance, it turns out that the most important of survival skill is endurance. If one fails, get up and move forward again," she explained.

According to Rector, challenges faced by the graduates today is competing with foreign workers as the Asean Economic Community (AEC) is already enacted starting on January 1, 2016. "Excellent and reliable competitiveness are needed to win the competition in this AEC era," she concluded.
