Monday, 28 May 2018 WIB, By: Marwati

UGM's Soccer and Soft Ball Student Activity Unit succeeded in holding two interesting events from May 26-27, 2018, at the Hall of UGM Student Center. The event started with a sharing session with the alumni of Soccer and Softball Student Activity Unit and continued with watching together the 2018 *Champions League* Final between Real Madrid and Liverpool.

This sharing session with alumni was aimed as a get-together event to strengthen the relationship between the members and the alumni. The event was attended by UGM Soccer and Softball Club members of various batches, from the 90's to the new batch of students. The event presented four speakers, namely Prasetyo Dwi Nugroho (Leader of Soccer Club 1990), Paminto Adhi (Alumni and Coach of Soccer and Softball Club), Ragil Abdullah Priyambodo (Alumni of Student Activity Unit Batch 2007), as well as Thalia Dewi Adrianita (the current Captain of UGM Girls Soccer Club).

After the sharing session, the event continued with a watching together session which began with a live music entertainment from Forum Musik Fisipol (UGM's music forum). The event was considered as a moment of unity for various elements of UGM academicians as soccer fans. Some of the students who attended the event hoped for more similar events in the future, such as during the *World Cup* or the *Asian Games*.
