## Documentation Book DReAM

International Students Summer Program and World Youth Leaders Assembly

**DReAM** is international student summer program initiated by UGM students first in 2009 to embrace all differences of background, nationality, idealism, religions, and to conduct a research based activities in three realms of interests: small medium enterprises, post-disaster management, and community empowerment. The theme for this year DReAM is 'Preparing Global Future Leaders for Better Awareness and Mutual Understanding among Nations' by adopting the interfaith cooperation approach in creating a better tomorrow.
