Another achievement is made by UGM students at the national level. UGM Faculty of Law Team managed to make the university proud after successfully winning the scientific writing competition organized by Faculty of Law Brawijaya University from December 7 to 9. The UGM team whose members are Dian Agung Wicaksono, Harsya Mahdi, and M. Fatahillah Akbar managed to eliminate 17 other teams from several universities throughout Indonesia.

Dian Agung Wicaksono, when met on campus, Tuesday (14/12), said that they managed to become the champions after passing the preliminary round followed by 17 teams from several universities in Indonesia. Of 17 manuscripts, 10 selected texts went further to the final round.

Dian expected that their victory will be able to encourage UGM students to make more achievements that will make the faculty and university proud. "We hope that the achievement will become the spirit to keep the good name of faculty and the university intellectually and in achievements," he expressed his hope.
